

Celebrating Watercolor

with Frances Tyler

March 25-26, 2019

9:30 am– 3:30 pm

Jim Ward Community Center

Plantation, FL

\$135

Join Frances Tyler for an experimental watermedia workshop! She'll demonstrate how to create unique, contemporary paintings using a loose and expressive style. On the first day, Frances will share techniques for dynamic mark-making, show how create dramatic texture using granulation and interesting ways to manipulate watercolors (or fluid acrylics) with stunning results. We'll also experiment with inks, art crayons, mediums and more. Day two, Frances will show us how to push our work even further by adding new layers, additional effects and final touches. We'll finish the workshop with a critique.

* You will bring your own painting supplies and Frances will provide some specialty materials for use during the workshop including: QoR Watercolor Mediums and Masking Fluid, Marabu Art Crayons, Texture/Mark-Making Tools, GOLDEN Fluid Acrylics (assorted colors) and some fun surprises!

Bio

Frances Tyler is an award-winning international fine artist and artist educator working in several mediums including watercolor, acrylics, mixed media and fiber arts. She is a Certified Artist Educator and Brand Ambassador for GOLDEN Artist Colors, Ampersand Art Supply, Marabu and others.
