

The PAG Board sends our very best for a Happy Holiday Season to all of our members. Like so many, we may not be celebrating with the usual festivities but we are thankful that next year we can truly enjoy the Holidays with family and friends. We miss seeing everyone and as soon as possible in 2021 we will resume our meetings and shows, having some fun times and hopefully seeing the amazing art you have been creating during this past year.

CONGRATULATIONS to our very talented Pat Brooks who was just featured in the latest volume of Calligraphy CRUSH magazine as a result of winning in the Washington Calligraphers Guild Graceful Envelope Contest. This year the focus was on what makes a winning envelope and once again Pat knocked it out of the park making this the 6th time out of 7 that she has been a winner.

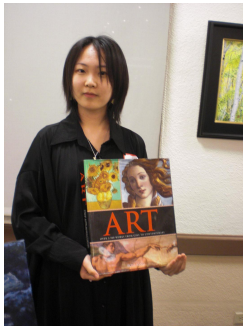

Please let either Pat Martin or Sandy Griffin know of your awards, of upcoming virtual exhibits, and other special events by December 20th for inclusion in the January Brushstrokes.

NEW MEMBER:

PAG welcomes new member Felipe Ayoub, a Plantation student and an enthusiastic artist, who has expressed an interest in helping PAG with several committees including Education, Scholarship and Hanging.

Just a reminder that all 2020 PAG members will have their membership rolled over to 2021 at no additional cost. Liz Dodd will be reissuing the membership book for 2021 and before the end of the year we will email the registration form so that we can update our membership records.

Our 2020 Scholarship winner, Shaowen (aka Skylar) Gong postponed attending college until January 2021 at which time her award will be forwarded to the school.

Happy Birthday to PAG members who celebrate in November and December:  
Rachelle Berkowitz, Pat Brooks, Sharron Demarest, Theresa Imhoff-Gannett, Natalee Jones, Effie Lewis, Susan McGuire, Lois Perdue, Melinda Schwartz.

Have a fabulous birthday and many more!

Thank you,  
Plantation Art Guild
